U.S. 24 Lane Reduction in Eureka

PEORIA – The Illinois Department of Transportation announces that U.S. 24 will be reduced to one lane near Parkway Drive in Eureka, beginning this afternoon.

The closure is necessary for culvert and shoulder repair work along the westbound lane of U.S. 24. Traffic initially will be controlled by flaggers, then by temporary signals until the repairs are completed. A completion date has not been determined at this time, however the lane closure is expected to be in place for several weeks.

Please slow down and use extreme caution while driving through all work zones.
